

## Podcasts

### Introduction

Here we have QEHS's new audio download service for students, teachers and anyone interested in listening to the sounds of our high school. If you would like more information on this topic, or would like to make a podcast/audio download of your own, please read the worksheet.

### Examples

To Listen to the podcast simply click on the links and a new browser window will open.

To save the podcast to your computer, right click and select "save target as".
